### A MESSAGE FROM THE MAYOR

As we begin a new year, I am honored to share my first message with you as Mayor of the City of Wildomar. It is a privilege to serve this community, and I am grateful for the trust you have placed in me.

Wildomar is a special place, defined by its small-town charm, strong community spirit, and residents who care deeply about the city's future. My commitment as Mayor is to lead with integrity, transparency, and accountability, while working intentionally and efficiently to ensure our city continues to thrive.

This year, my priorities include fostering open communication, enhancing the quality of life for all residents, encouraging responsible development for our community, and ensuring that City government remains accessible and responsive to the needs of our residents. I believe the best solutions come from collaboration, and I encourage you to stay engaged by attending council meetings, participating in community events, or reaching out to share your thoughts.

Thank you for being an active part of our community. I look forward to working together in the year ahead as we continue building a strong and vibrant Wildomar. Wishing you and your family a healthy, safe, and prosperous New Year.

In Service,

*Carlos Marquez*

Carlos Marquez  
Mayor

# CITY NEWS

## CITY MANAGER UPDATE

As we welcome the New Year, I am filled with excitement and optimism about what lies ahead for Wildomar. A new year gives us an opportunity to reflect on where we've been, celebrate our progress, and thoughtfully set goals that will guide the City's work in the months ahead.

Goal setting is an important part of how we ensure Wildomar continues to grow in a way that reflects our community's values and priorities. Clear goals help align City Council, staff, and resources around what matters most - whether that's improving infrastructure, supporting public safety, fostering economic development, and/or strengthening community connections. These discussions help establish a shared direction and provide accountability as we move through the year.

I invite the community to observe this important process at an upcoming City Council meeting, where the Council will discuss and adopt goals for the year ahead. Transparency and thoughtful planning are essential to good governance, and we look forward to sharing this work as we continue moving Wildomar forward together.

Sincerely,

Chris Mann  
City Manager

# PUBLIC WORKS

## LOST RD IMPROVEMENTS

The City's Public Works team completed several important improvements to enhance roadway safety and durability. Crews graded Lost Road and applied asphalt millings to help reduce future rain-related washouts and erosion. In addition, the newly paved intersection at Lost Road and Lakeview Drive was striped, traffic signs were installed, and tree trimming was completed to ensure clear sight lines at the intersection. These efforts reflect our ongoing commitment to maintaining safe and reliable infrastructure for the community.

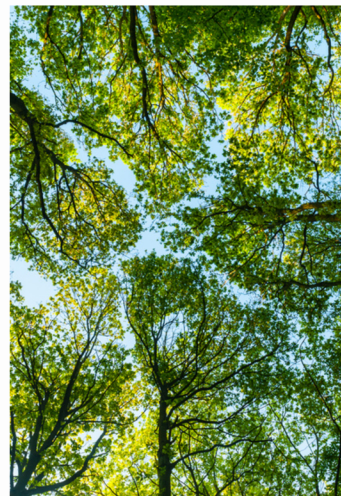

## DECEMBER RECAP

**230 POTHOLES  
REPAIRED USING
